

The clinician you become will thank you.

Learning the skill of auscultation is a crucial part of your education. 3M™ Littmann® Stethoscopes offer professional-level acoustics that will help you hear the subtle sounds that you'll learn from—helping you perform at your best, in school and in your profession.

Tools to support students:

Earn Free Littmann Stethoscopes

Organize a sponsored Littmann stethoscope sale and earn free stethoscopes for your school or student organization.

How a student sale works:

 X 10	Earn Earn ① Credit for every ten (10) stethoscopes purchased as part of the sale.
	Redeem ① Credit to get a Classic stethoscope donated to the school or student organization.
	Redeem ② Credits to get a Cardiology or teaching stethoscope donated to the school or student organization.

Free 3M™ Littmann® Learning Institute App

Take your auscultation training and reference sounds anywhere with this mobile app, free with the purchase of a Littmann stethoscope. The app allows you to practice skills that can translate to better performance at school, improved real-world skills, and the ability to provide the best patient care.

With the app, you can:

-  Develop diagnostic skills using patient scenarios
-  Listen to real heart and lung sounds to recognize different conditions
-  Track your progress
-  Test your knowledge

Free Parts Kit with Purchase

Kit includes spare diaphragms (one for each side), one non-chill bell sleeve and soft-sealing eartips. See details at Littmann.com/parts
